Choose your google account or create one to log in!

Step 3:

Create Group

Group Password (between 8 to 15 characters which contain at least one lowercase letter, one uppercase letter, one numeric digit, and one special character):

Youtube Video Link:

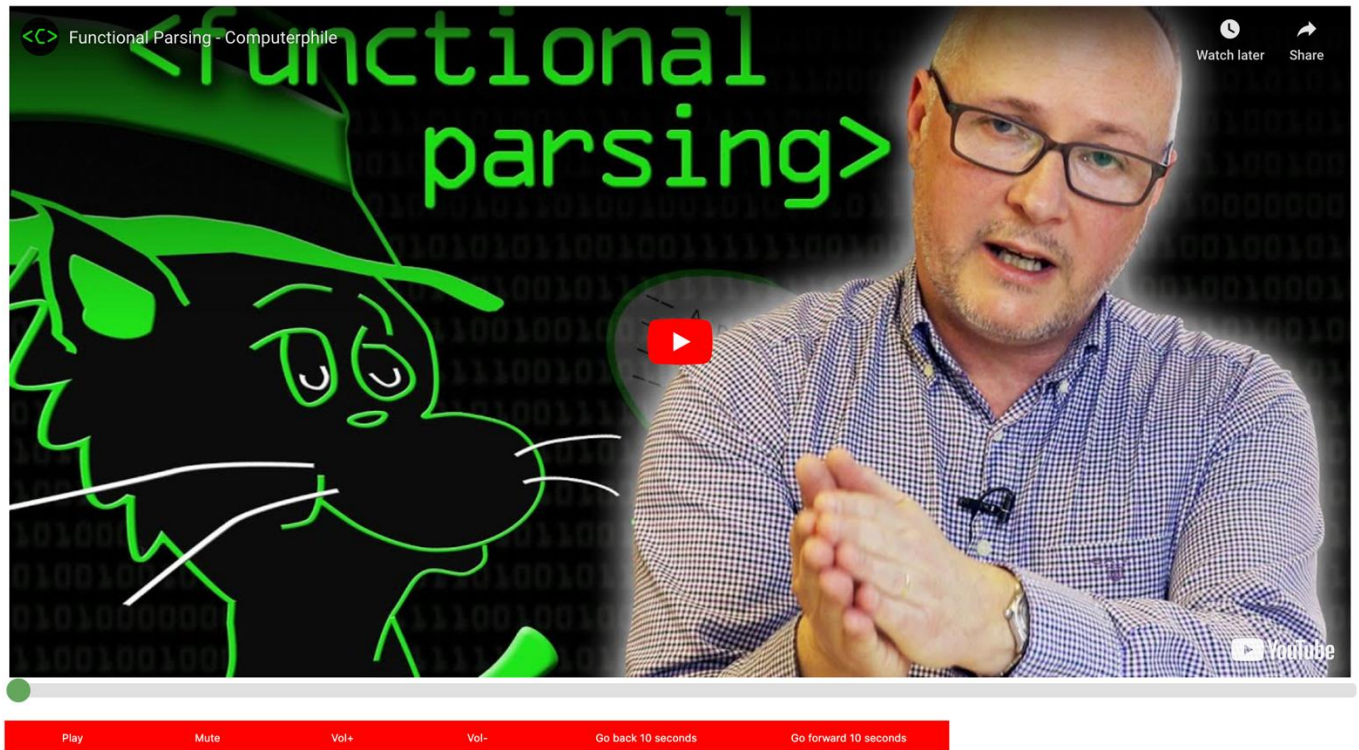

[Home](#)

[Create Group](#)

[Join Group](#)

1. Create a group by specifying your group password!
2. Add the links of your favorite YouTube videos that you want to watch online remotely together with friends and families.
3. Click “Another?” if you would like to add another YouTube Link.
4. Click “Submit” to create the group and go to the group page.

Step 4:

That bring you to this page! To have your friends/families join the group, share with them the Group password.

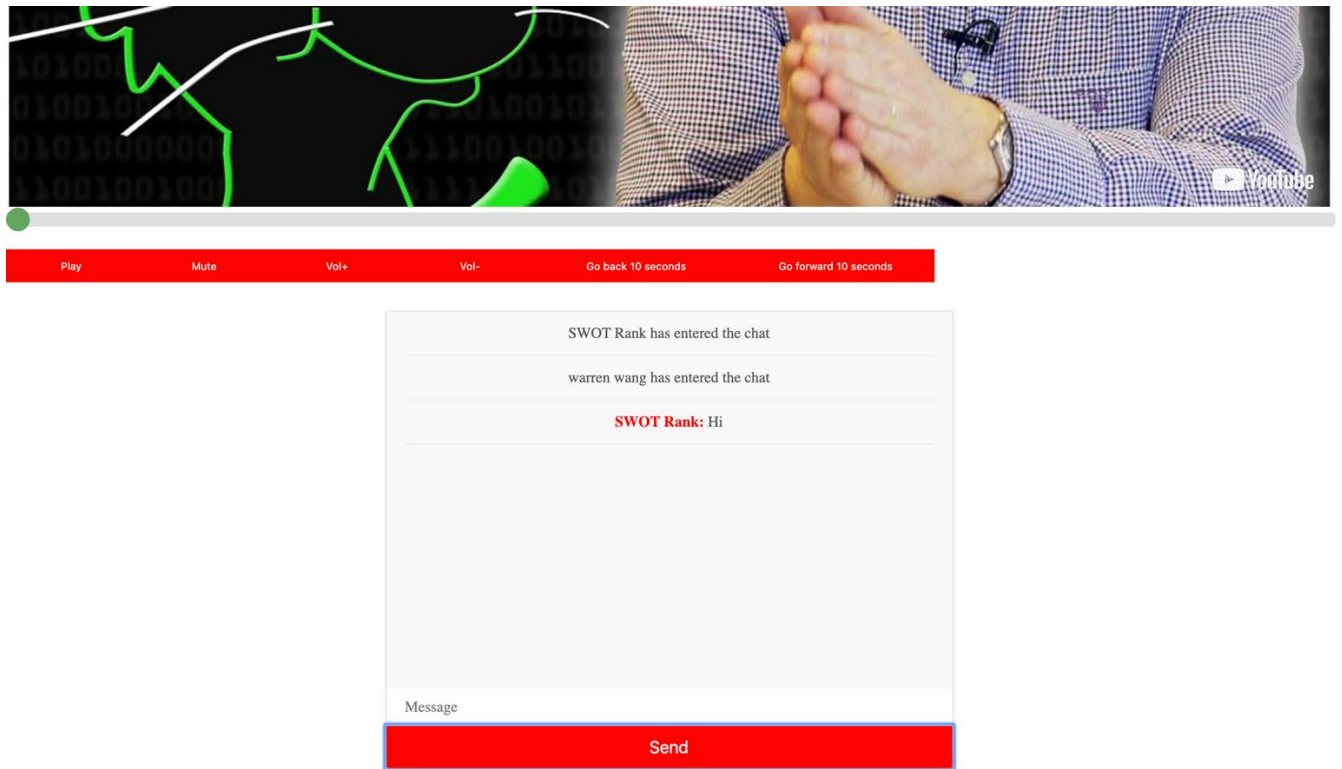

Join Group

Group Password:

[Home](#)[Create Group](#)[Join Group](#)

They can then join the Group by entering password and hitting Submit.

Step 5:

Now that everyone is in the Group, we added a chatroom to let you communicate with your friends/families in real time!

Step 6:

Enjoy watching the video with friends/families at real time together with the buttons we provided below!

If someone in the group paused the video, the video pauses for everyone. If someone in the group makes the video go forward 10 seconds, the video goes forward 10 seconds for everyone else.

Only volume and Mute buttons work on the person's individual device.
